

Overtones

A RESOURCE FOR CHORAL CONDUCTORS AND EDUCATORS

The summer edition of Overtones is dedicated to choosing repertoire. Listed below are selected pieces performed by various groups at our Concert/Chamber and Vocal Jazz Festivals. In many cases, recordings of these pieces are available online (YouTube, JW Pepper, etc.) and can give you an idea of what something is supposed to sound like. If you have questions or other suggestions, please post them in the Forums at www.ontariovocalfestival.com. Happy shopping!
